TELCO WEBINARS

The Australian Registered cablers website in conjunction with ACRS, ASIAL, BRCA, FPA Australia and TITAB would like to develop a series of webinars to assist cablers.

To do this they are proposing to run a series of webinars that you can either attend or watch a recording.

Before they start developing content, they would like to know what topics you are interested in.

If you would like to contribute please click on the survey button below.
